Press Release

POV Home Watch Enters into a New Relationship with The Probate Nurse

Hudson, Florida, February 29, 2024: POV Home Watch, Inc. known for their trusted home watch services, has entered into a new relationship with The Probate Nurse, LLC. A company focused on the elderly and offers an extensive referral list of highly specialized providers critical to estate planning and the probate process. **“These probate services together with POV Home Watch’s new [Senior-Assist Emergency](#) service is highly valued when unforeseen situations occur resulting in client hospitalization or temporary relocation,”** says Mike Martyniak, Operations & Business Development Manager at POV Home Watch.

“Since 2015 our business has grown and our listing with The Probate Nurse will expand our visibility providing additional resources when emergencies occur in support of our elder clients. The Probate Nurse’s emphasis on empathy and compassion is consistent with our core principles at POV Home Watch. We are pleased to recommend their services,” continues Mike.

About POV Home Watch: The company performs on-site property visits to include monitoring reports on behalf of the seasonal and the absentee homeowner confirming their property is secure and is being maintained while they are away. A wide variety of [services](#) are offered to the residential homeowner, insurance company, realtors and to lending institutions. As the advocate for the absentee homeowner, POV Home Watch verifies the condition of your property, takes proactive steps with the homeowner to minimize potential problems and assists with emergency repairs while you are away. POV Home Watch is insured, bonded and an accredited member of the Florida Home Watch Association ([FHWA](#)).
